NEWSLETTER JULY 1977

As this letter went to press, snow was falling in all NSW resorts giving a fresh cover to a good base, making it the best season to date for many years.

The so called Q.C.S.C. is as yet only an association of crew members with an interest in skiing. A meeting will be scheduled during the first week of August to elect office bearers etc. and to officially form the Club.

*All those interested in joining or taking an active role please contact Barry Berner - Ph. 90 6674, or leave a note in my file.

The N.S.W. Ski Association has been approached and will certainly welcome us into the fold. As of Sat. 16th July prices in Perisher Valley - Smiggins Hole area were reduced to \$10.50 a day ticket. Thanks to the N.S.W.S.A.

The aims of the Club are briefly to promote more skiing, cheaper skiing and safer skiing; to get club discounts on gear and equipment both here and overseas. Accommodation being the biggest percentage of outlay, we already have several club lodges on our books which will give us accommodation in Thredbo, Perisher and Smiggins Holes. Also unit and cabin accommodation at Jindabyne.

The commercial lodges have also been approached and negotiations are under way on a discount or club price.
